**Re: *Hudson River PCBs Superfund Site
Remedial Action Consent Decree (Civil Action No.1:05 CV-1270)
December 2018 and January 2019 Monthly Report***

Dear Mr. Klawinski:

Enclosed is GE's monthly report pursuant to Paragraph 39 of the above-referenced Consent Decree (CD). As discussed with EPA, since the Remedial Action (as defined in the CD) has been completed, this report follows the revised format that was begun with the January 2017 monthly report.

As also noted in the attached report, since all Remedial Design activities have been completed, there is no longer a need for a separate monthly report under the Administrative Order on Consent for Remedial Design (RD AOC; CERCLA-02-2003-2027) until such time as EPA approves the certification of completion for that AOC.

Please let me know if you have any questions or comments on this report.

Sincerely yours,

A handwritten signature in black ink that reads "Robert G. Gibson".
